## What is Shire Wide Youth Services?

A youth service that offers a great range of programs and services with the aim of providing opportunities for young people to determine their own future.

These projects include:

**\*The EASY Project** assists and supports young people by providing information, resources and support in a safe, friendly and comfortable environment as well as safe, affordable accommodation to young people who are homeless or at risk of becoming homeless.

**The Menai Project** offers information, referral and case work support as well as workshops, events and activities, such as drop-in, school holiday programs, band nights and dance parties. The Centre also features its very own recording studio (How cool is that!)

**The Outreach Project** aims to provide a flexible youth service to young people in their own environment.

**Peer Education** projects including Summer Survival where up-to-date information on safe sex, sexual health, HIV/AIDS and sexuality is presented in a fun and non-threatening way and Talking Heads which focuses on demystifying mental health.

**Youth Connections** focuses on reconnecting young people who have disengaged, or are at risk of disengaging, from education.

**INSPIRE Mentoring Program** matches young people who have been involved with the juvenile justice system with volunteer mentors—giving them regular access to a responsible adult.
